CC Docket No. 02-6

1/8/2007

Dear Reviewer,

Please accept this correspondence as a "Request for Review" for the Grass Lake Community School District ( BEN 131438 ). On December 5, 2006, we received a denied appeal from the USAC regarding FRN numbers 1415482, 1415570, 1415589 ( Application # 514283 – funding year 2006-07 ). Their reason was that we did not submit relevant documentation to the PIA review team in a timely fashion.

Brief background: Grass Lake Schools are located in a rural setting in South Central Michigan having less than 1200 students. Denying this district the \$19,500 that they have applied for ( local and long distance voice service and high speed internet service ) will have a huge negative impact on deploying their present technology plan as well as denying student access to the worldwide web which has been integrated into their curriculum.

Jackson County Intermediate School District has contracted me to assist the 12 public school districts in their service area with the USF, E-rate process. Since the programs inception, I have processed over 100 applications without a denial. This year, the PIA review process has confused many districts in the State because the information they are looking for is redundant and confusing.

The PIA team asked us for telephone capacity and internet bandwidth The Form 470 which was submitted and accepted indicates the service/capacity the district is looking for. ( attachment # 1 )  
The Form 471 summarizes the same information ( attachment #2 )

The PIA team asked for the same information stated above to be sent to them between June 27 and July 12. It is my recollection

Hey Tim,  
I sent u the test and I received a confirmation that it had gone through...I'm guessing maybe your e-mail account is having some problems? And I informed my boss of your situation with Frank Ferraro. She told me that he had contacted you and that it was taken care of. I guess maybe he hadn't but if you want, you can try calling him. The Solix phone number is 1-800-200-0818 (toll free). Just
